

2021 ANNUAL REPORT

Thanks to our generous donors, Mountain Humane is **Saving Animals and Changing Lives**. Each day, we open our doors to reunite pets with their owners, offer a safe haven for lost or homeless animals, provide affordable veterinary care, offer consultation and assistance, and assistance to keep families and pets together whenever possible.

2,707

Total Number of Animals Served

45% Increase Over 2020

RIGHT PLACE

Right Care and Right Outcome requires the Right Place to serve homeless and at-risk animals. Defined, this is a place that facilitates the best possible result for the animals and people in the most humane and efficient way possible.

222

animals transferred from high-kill shelters

292

Animals fostered by 213 foster families

1,755

Animals received services and treatments to help them avoid surrender

RIGHT TIME

The right time can be defined as the most appropriate, and sometimes most critical, time to provide services aligned with both animal and human needs while remaining within the shelter's capacity.

18

animals were provided safety net housing

25

puppies and kittens were born in care at MH

50

dogs and puppies saved from hoarding and cruelty

RIGHT OUTCOME

The Right Outcome is our "raison d'être" – the reason we do this work. It is the heart-warming part, the life-saving and life-changing part.

Facilitating the Right Outcome

68%

Adoption returns are down 68% over the last 5 years

474

Adoptions

54%

Surrenders are down 54% from 260 in 2019 to 121 in 2021
